

12 January 2022

To: All residents on Rawson Lane, from Docker Street to Lewis Drive and on Brookong Avenue from Docker Street to Lewis Drive
Wagga Wagga, NSW, 2650

Dear resident,

Wagga Wagga Base Hospital Multi-Storey Car Park project – Demolition of Lewis House

As you would be aware, work is underway at the Wagga Wagga Base Hospital Multi-Storey Car Park project which will deliver a multi-storey car park and two street-level health campus car parks on Yathong and Docker streets. The Yathong Street car park is now complete with 81 at grade car parks available.

The construction of the Docker Street car park is now underway and will include the demolition of Lewis House.

This letter seeks to inform you of upcoming works which will take place from January 2022 until April 2022 as follows:

- Ongoing removal of hazardous materials
- Installation of scaffolding
- Demolition of Lewis House.

We will continue to work with our contractors to implement strategies that minimise disruption to nearby residents and businesses while this work is undertaken. Temporary pedestrian diversions and traffic management will continue to be in place.

If you have any queries about the Wagga Wagga Base Hospital Multi-Storey Car Park project, please contact the project team via email MLHD-WaggaMSCarpark@health.nsw.gov.au or by phoning (02) 5943 1370. Further information about the project is available here: www.mlhd.health.nsw.gov.au/wagga-mscarpark

Thank you for your patience during the construction works for the three new car parks for Wagga Wagga Base Hospital.

Yours sincerely

Multi-Storey Car Park Project Team
