

NOTICE TO ALL FIRE AFFECTED COMMUNITIES

CLINIC OPEN – COMMUNITY CARE

Murrumbidgee Local Health District (MLHD) is keen to offer additional support people recently affected by the bush fires.

MLHD has opened a community health clinic for anyone affected by the recent bushfires.

This clinic is open to people who need support with managing existing wounds or other health related issues such as a chronic conditions including diabetes, respiratory and heart problems.

This clinic is being staffed by experienced nurse practitioners, community nurses and allied health clinicians who will work together with local GPs to provide care during this time.

Supportive Counselling services are also available.

Where:

19 Peter Street, Wagga Wagga (drop in)

Open Hours:

9.00 am – 4.00 pm Monday to Friday

Contact:

0467 749 417 (to make an appointment)
